INSTRUCTIONS  
FOR FILING THE  
ANNUAL TAX REPORT OF  
TELECOMMUNICATIONS COMPANIES

§ 58.1-2628. Annual report.

A. Each telephone company shall report annually, on April 15, to the Commission all real and tangible personal property of every description in the Commonwealth, **owned, operated or used by it**, except leased automobiles, leased trucks or leased real estate, as of January 1 preceding, showing particularly the county, city, town or magisterial district wherein such property is located. The report shall also show the total gross receipts for the 12 months ending December 31, 2022 and the interstate revenue, if any, attributable to the Commonwealth. Such revenue shall include all interstate revenue from business originating and terminating within the Commonwealth and a proportion of interstate revenue from all interstate business passing through, into or out of the Commonwealth.

**Please follow these instructions when preparing your Tax Report.**

1. All reports must be notarized and are due in this office no later than April 15th of each year.
2. Make sure all property owned or leased is reported at **original cost**. The only leased property not assessed is land, buildings, towers and vehicles. **These are considered leased if not in the exact name of the company filing.**
3. **Please provide a separate spreadsheet with your report detailing the breakdown of original cost by schedule / class (each reportable column) by year that includes additions through 2022. If we don't receive this we will use the best information available to calculate the percent conditions for each schedule.**
4. **Make sure that all property is listed alphabetically, cities first then counties and towns. Also indicate the district, if any, in which the property is located and include the district codes in the columns provided. Please include subtotals for each district as well as grand totals for each locality.**
5. Enclosed is a real estate transaction form to be completed if your company purchases or sells any land under the name certificated by the SCC or licensed by the FCC. **This form should be returned to this office by February 1st of each year.**
6. Although leased land, buildings and towers will not be assessed, you are still required to give this office addresses of all leased sites. (Remember to report the dollars associated with improvements made on leased property.)
7. Any and all contribution of telephone plant which includes donations, grants, or contributions in property from individuals, states, municipalities or governmental agencies should be included in this report. This property is to be reported and assessed by the State Corporation Commission.
8. Computer software, as defined by § 58.1 - 1101 A 8, is intangible personal property not subject to assessment by the SCC. Software should not be reported, but proper documentation must accompany the tax report.
9. Reports must be filed on 8 1/2 x 14 paper. Be sure to leave a one inch left margin for binding purposes.
10. **Each company is required to file with the annual tax report a copy of their last audited financial reports showing the Virginia portion of gross receipts.**

**Listed below is the page and class where your property should be reported:**

1. Page 4, Class 1 - Poles and underground conduit.
2. Page 5, Class 2 - List your cable under the appropriate column (aerial, underground, buried, submarine, and aerial wire). Please report lit and dark fiber separately - **only report dark fiber separately if it's unlit AND not leased out to another entity.**
3. Page 6, Class 3A-1 - Land, buildings, leasehold improvements and towers.
4. Page 7, Class 3A-2 - Antennas.
5. Page 8, Class 3B - Switching, transmission, optical, circuit, and wireless equipment.
6. Page 9, Class 3C - Customer premises equipment, terminal equipment, PBX's, landline phones, and public telephone equipment.
7. Page 10, Class 3D-1 - List vehicles owned by your company in the locality that they are garaged. (Do not report leased vehicles.)
8. Page 11, Class 3D-2 - List furniture, office equipment, computers, servers, printers, copy machines, wireless phones, and any other related equipment.
9. Page 12, Class 3E - Materials and Supplies (col. E) and Plant Under Construction (report total P.U.C. with capitalized labor included in col. F **or** material cost only in col. G).
10. Page 13, Class 4 - Merchants' Capital - Any inventory, such as phones, for resale.
11. Page 14, Gross Receipts - Report **all** gross revenue generated by your company. This includes intrastate revenue as well as the interstate portion of Virginia Revenue. If you have any questions concerning where revenue should be reported on this page, please contact this office. (Any questions about the actual computation of the minimum tax should be directed to the Department of Taxation (804) 367-8037.)
12. **Make sure once this report is completed that it is signed and notarized on page 1.**
